25X1

1. On 21 August 1950 a Polish soldier said that Soviet troops had vacated the Lodz (Q 52/0 93) barracks in mid-August 1950, leaving for an unidentified destination. *
2. The remaining contingents of the 1927 and 1928 classes and contingents of the 1929 class were inducted in Lodz in August 1950. **

25X1 25X1 * Comment. 300 to 400 Soviet troops in Lodz on 27 June 1950. Soviet troops arrived in Lodz on 3 July 1950. It is possible that a small Soviet unit was located in Lodz in the summer of 1950 and departed in mid-August 1950. 25X1

25X1 ** Comment. Available records indicate the 1929 class was due for induction in the fall of 1950. Those of the 1927 and 1928 classes who were deferred may have been inducted simultaneously. Since inductions into the army are usually effected only in October, the personnel inducted in Lodz may have been recruits for the local KBW (Corps of Internal Security) units because the KBW units usually receive replacements in the summer.
